Revivals.

There were revivals of religion in 1679, 1683, 1690, 1712 & 1718
the great revival under Mr Edwards commenced Dec. 1734.
The revivals in 1683, 1690 (or 1695) and 1712 were extensive, and many were added to the church. The attention in 1718 was not of long continuance, & did not terminate happily. From 1718 to 1727 was a time of stupidity, immorality among the young, & contentions between the Court and Country party. Religion began to revive in 1732 & 1733. There was a revival at Pascommuck in the winter of 1733–4. More seriousness in town in 1734. Four or six conversions the latter part of December but the work was most powerful in March & April 1735, when, for 5 or 6 weeks, there were about 30 conversions in a week. In 6 months the number of hopeful conversions was more than 300 - about half males. (Probably from Dec 1734 to June 1735) About 100 were admitted to the Church at one sacrament & near 60 at another. The work began to decline the latter part of May 1735.

The second great Revival commenced in 1740. There was greater attention in the Spring & summer; it increased after Mr Whitefield's visit in October, and the revival became powerful in the summer and early part of the autumn 1741. It abated from November 1741 to January 1742. It began with greater power than before the latter part of January 1742 under Mr. Buell, but many became wild & extravagant. The revival abated in the beginning of the summer 1742, but did not entirely cease.

Here ends Mr Edwards Record. There is no account of admissions after this until Mr. Hooker's Ordination, Dec 1753.

It is pretty evident from Mr. Edwards Life that there were no admissions from 1746 to his dismission in 1750.

There were no admissions from 1744 to [illegible]

In the Interregnum, there were

Israel Clark — to S. Hadley 1754

Elijah Baker — to E. Hadley 1758

Benj. Rhodes — to S. Hadley 1762

Ruth (Alvord) Morgan wife of Ebenezer M. to E. Hartford Sp. 1762

Sarah (Wright) Strong wife of Sim[n] Esq. to Amherst 1765

(Phebe Strong, dau. of Caleb — not dau. of Bellows. — to Walpole 1769

Abigail Bartlett, dau. of Wm. — not dau. of Pallmer — to Northf[d] 1770

Jemima Bartlett — mar. Nath[l] Wright — not dau. to Hanover 1774

Deac. Ebenezer Hunt kept a record of those who were hopefully converted in the "great stir" (as he calls the revival,) in the years 1734 and 1735 "beginning with March 1734" (perhaps March 1734-5 is meant.) His list contains the names of 210 persons, & does not include the whole of the revival. Those whom he has named are designated by an R. in the preceding pages - that is - 185 of them. The remaining 25 do not appear on the church record, or I may have overlooked them. They are as follows:

Ebenezer Ferry, ——— Webb, Josiah Clark, Experience Birge
Margaret Graves (wife of Jona) Samuel Clapp Jr. Sarah Miller (3 M. in all)
Esther Clark, Mary Allen, Catherine Phelps wife of Nath[l], Ruth Alvord
Samuel Clesson, Eleazar Burt, Mary Strong, Abigail Bartlett,
Noah Smith, Miriam Strong, William Hannum, Newport a negro
Rachel Pomeroy (2 R.P.) Ruth Alvord, Ebenezer Bartlett, Sam[l] Baker
Theoda Hunt, Sarah Lyman ——— Hitchcock.

The revival of 1734-5, always means 1735; March 1734 means new March 1734-5, or anno new date, March 1735.

received perhaps & not recorded.

Phebe Miller to 5th church in Hartford, Dec 1753.

Mr. Williams' record of Church Proceedings

began June 17. 1778.

Choristers. First Sabbath about choristers, who were about to resign. Added two to the choristers, viz. Enos Wright & Asahel Pomeroy

Tuneing pitching children. Time altered from "time of divine service till congregation was dismissed"

Absent Brethren, or those who absented themselves from the sacrament &c. Committee chosen to confer with them & know their reasons viz. Aaron Wright, Isaac Parsons, Dea. J. Hunt Isaac & Cook, Stephen Baker.

1778 Sept 8. Committee reported to the church as follows:-

Daniel Warner } Absent on account of terms
Jonathan Phelps & wife } of communion
Wife of Daniel Warner } thought the church manifested an
Mrs. Hulbert } unfriendly disposition towards them in using a house for a hospital in that part of the town

James Hulbert viewed himself an unworthy member

Elkanah Burt, plead many bodily infirmities

Mrs Mary Dwight " "the abuses she & her family had received from the brethren" — also the terms of admission

Gideon Clark } " the unkind treatment they had met
Haynes Kingsley } with, but were willing to return & forget & forgive, if the church would treat them with kindness.

New Committee chosen — Deacons Hunt, Cook & Clark. Isaac Parsons & Noah Edwards

1778 Nov 20. Committee reported: Elkanah Burt undetermined. James Hulbert as before. Jona. Phelps & wife wished to weigh the matter more.

Ephraim Danks asked to be dismissed — he differed from the church in regard to infant baptism. Supposed converted adults the only proper subjects of baptism, & that grace was as a necessary term of admission.

Asahel Danks said Titus Wright & Nathl Edwards brought a message from Aaron Knight, requesting him not to attend on account of some misdemeanor.

Elias Sheldon plead indisposition of body, his uncomfortable seat, his wife's, the design & the seaters, the laugh of the people.

Jerijah Strong plead lameness & want of a good seat

Mrs. Dwight objected to spirit of the people & theirs towards them asked for a dismission. Mrs. Warner & Mrs. Hulbert returned.

Church voted to wait further on Mr Burt, Mr. Hulbert, Mr. Phelps & his wife.
" " to lay cases of Mrs. Dwight & Eph. Danks before next association
" " to defer case of Asahel Danks, he being in the army
" " that Mr. Sheldon's reasons were insufficient — to wait further.
" " to defer cases of E. Clark & H. Kingsley on account of the state of the country.
" " that they did not know enough of Mr. Strong's case to act.

Church Records

1779 Feb. 25. A motion to choose a committee to inspect the members was negatived by a great majority.

" April 8. Church had before voted to begin Divine worship most of the year with singing. A motion to reconsider this was negatived. Church had before voted to sing "without reading" when worship began both parts of day. Motion to reconsider was negatived. Church has voted to sing 3 tunes on Fast days. Motion to reconsider. Church had voted about singing extraordinary metres the last singing & without reading. Motion to reconsider negatived. The parties stood about 60 to 30. Only 30 for reconsidering.

Advice of Association - that in regard to Mrs. Dwight, there should be an attempt at reconciliation; if it fail, then a mutual council to determine. In regard to Mr. E. Danks, they advised further pains to convince him respecting baptism & church-membership. & they said absence on his part was unjustifiable, as he had made no attempts to obtain a effect conviction.

Committee chosen - the Pastor, Deacons Cook & Clark. Eph. Wright, Ezra Clark

Mrs. Elizabeth Crain, accused & for — tried & proved innocent. March 1780

1780 March 9. Church voted to defer the sacrament, on account of the difficulty of procuring wine at this time, & the emptiness of the church box. Deacons to procure wine as soon as convenient

July 30. As yet no wine no sacrament. Voted that the deacons call upon the members for money to procure wine

Aug 9. Absent members. Elkanah Burt returned. New cases, viz

Moses Parsons

Mr. & Mrs. Daniel Pomeroy & wife

Various votes about them — some deferred. Now said that Jonathan Phelps & wife alleged that church members had injured them; & that she was in reliance to Baptist sentiments.

Monies Committee chosen about demands of church on Dea. Jonathan Hunt as Executor of Capt. Jona. Hunt; also demands of Dea. Hunt on church; also state of Treasury. Eph. Wright, Jr. Beden, B. Sheldon.

Absent members. Sept. 6. 1780. Committee reported reasons of absence Elias Shelton thinks he has been slighted in respect to a seat; that many are unfriendly & make him a subject of ridicule. Mr. Hulbert will attend communion as his health will permit. Mr. J. Phelps gives reason to expect his return. As wife doubts the propriety of our terms of admission. We expect Moses Parsons return. Have not had opportunity to converse with D. Pomeroy's wife, she being sick.

Committee report that Ed. Danks' opinions in which he differs from church are not essential; that he cannot very well vindicate them; that truth has been plainly & solemnly exhibited to his mind &c — trust he will return. Propose that Mrs. Dwight's case be referred to a mutual council.

Queen Clark will return & it is believed Jay new things they will.

Mr. Stoddard's System — begun 1672 (see forward)

10-10 1672 (Dec. 10. 1672) 51 persons personally took the covenant.
12. 11. 1672 (Jan 12. 1672-3) 53 persons. — do — do —

Of these 104 persons, a large number had children, who were now baptized; The following persons who took the covenant were themselves baptized 12. 11. 1672, viz John Bridgman, Joseph Parsons Jr. John Parsons, Samuel Wright Jr. Joseph Wright, Abigail Webster (Alexander) wife of Thomas.

It was 15. 10. 1672, that children were first baptized under this system — over 4 days after the system was introduced. The children were Nathaniel Rust, son of Israel, Mary Bridgman dau. John, Elizabeth Woodward, dau. of John. 7 days after viz 22-10 1672 4 more were baptized — Joseph Parsons son of Joseph Jr. John Weller son of John, Mary Weller dau. to. Mary Mudge. d. of Isaac.
No more baptized till 12. 11. 1672 (except the Sindey family on different footing) when the above 6 adults in preceding paragraph were baptized.
Next there were on 19-11-1672 20 persons baptized.
26. 11. 1672 — 14 " "
2. 12. 1672 — 7 " "
9. 12. 1672 — 4 " "
16. 12. 1672 — 3 " "
24. 12. 1672 — 2 " "
All these year ended March 24. In the year commencing March 25 1673 there were 28 baptisms
In 1674 — 17 "
In 1675 — 26 "
In 1676 — 11 "
In 1677 — 24 " After this, no record.

Mr. Stoddard's system of having persons "personally take the covenant" & have their children baptized, seems not to have continued very long. It was superceded by his system of admitting most all to full communion perhaps. From 12-11-1672. to 1679 only the following person took the covenant
1673 none — 1674 only Deliverance Weller, wife of John. 1676 none
1677 Benoni Stebbins & his wife Mary
1678 Lydia Hawley wife of Joseph & the wife of Wm. Pixley.

All the parents belonged to other churches & did not have their older children baptized here, except George Alexander's wife, Thomas Mason's wife, James Bridgman's wife. These three women were first admitted here & before their husbands.

As yet there had not been a single baptism of a child near the time of its birth by Mr. Mather, unless Thomas Sheldon was so. He was baptised in 1662

2 Thankful Strong, dau of Elder John was baptized in 1662, this was near the birth. was in 1663 as we now date
